Response Dated February 7, 2006
Reply to Office Action dated October 7, 2005,

REMARKS

In view of the preceding amendments, the accompanying RCE Transmittal, and the following remarks, Applicants respectfully request favorable reconsideration of the present application.

Description of Amendments

This Response:

1. amends the priority claim to identify the United States patent that issued for the parent patent application;
2. cancels amendments made by a Response received by the USPTO on July 27, 2005, to a February 28, 2005, Office Action to the specification on pages 9, 10 and 12 thereby restoring the text of the specification essentially to that existing when the patent application was filed after entry of the Preliminary Amendment;
3. cancels all previously pending claims, i.e. specifically claims 40-43, 45-57, 60-70 and 72-75 pending on October 7, 2005, in addition to the previously canceled claims so that after entry of the cancellations claims 1-77 have been canceled;
4. adds new claims 78-91 and amends the "Disclosure of Invention" and the "Abstract of the Disclosure" to conform with the new claims; and
